President Occult for "Art Carnival"

Greetings from Kaladarpan Art Academy "Art Carnival!"

Respected Sir/Madam,

First of all, we thank the principal for granting his/her permission to submit the brochure of this 'NATIONAL LEVEL "Art Carnival!" in your school. It would have not been possible without the permission and Valuable support of the School's principal.

Kaladarpan Art Academy has been organizing various art competitions at the national level since 2009. Kaladarpan Art Academy is trying to expand the art at the national level to inculcate the importance of artistic creativity in the minds of school as well as college students.

Since 2009, Kaladarpan Art Academy has hosted a number of national art competitions. Kaladarpan Art Academy is trying its best to spread art on a national scale in order to instill the value of artistic creativity in the minds of school and college students. Kaladarpan Sanstha was founded on the principle that every student should be able to find enjoyment and opportunity through competition. Everyone has potential, but it only takes a spark to ignite it. Kaladarpan wishes to provide it to each and every child. Every year, Kaladarpan gives numerous young artists from various schools the opportunity to demonstrate their creativity and uniqueness in their artworks. Today, Kaladarpan is grateful to everyone who has contributed to its success. It works for Students from Junior Kindergarten to those of higher secondary.

The focus of the competition is on motivating them, as they will be the ones to rule our country tomorrow. Kaladarpan helps them come out of their shells and become creative explorers, and motivates them to make a difference. Kaladarpan Art Academy's instructional effort is extensive. The foundation of the Kaladarpan Art ,Cultural and Social Foundation gives all types of children in society the opportunity and a kind of platform to pursue a career in art. A sort of educational opportunity is provided through many types of competitions for quality education in art, and currently many schools and colleges students compete on a large scale.

This year, 22,762 students participated in the first level of the competition, and 3500 students were selected for the next level of the competition, from which we selected 450 students who were exceptional in art, and a painting exhibition of those students was held at Balgandharva Kaladalan, Pune, Maharashtra, honouring all the child artists. We vow to establish an independent platform for child-artists through the Kaladarpan Art Academy by organising competitions every year.

I am thankful to every individual who gave me valuable support."

The Axe And The Woodcutter

Once there lived a woodcutter in a village. He was poor but hardworking. He used to go to the forest to cut down trees for wood. He sold them in the market and earned money for some food.

One day as he was cutting a tree, his axe accidentally fell into the river. The river was deep and was flowing fast. It carried away his axe swiftly. The woodcutter sat at the bank of the river and began to cry.

Suddenly, the Goddess of the river arose and asked him what happened. The woodcutter told her the story. The Goddess of the river offered to help him by looking for his axe.

She disappeared into the river and soon came up with a golden axe. The Goddess asked the woodcutter if it was his axe, but the woodcutter said it was not his.

She disappeared again and this time came back with a silver axe. Again, She asked him if it belongs to him, but the woodcutter said that that was not his either.

The Goddess disappeared into the water again and this time came back with an iron axe. The woodcutter jumped with joy and said it was his. The Goddess was impressed with the woodcutter's honesty and gifted him both the golden and the silver axes.
